Walk Bridge Program
CONSTRUCTION NEWS

Effective Friday, February 16, 2018

The Connecticut Department of Transportation is announcing the following Walk Bridge Program activities for Saturday, February 17, 2018 through Saturday, February 24, 2018.

RAILROAD ACTIVITY

- Track work is anticipated to occur on the Danbury Branch Line between Ann Street and Science Road, Monday, February 19 through Friday, February 23, 2018 from 6:30 AM-4:30 PM. No impacts to local roads, rail service or pedestrian traffic are anticipated. Please watch for the entering and exiting of trucks in the vicinity of Science Road. Map

- Subsurface investigation work is anticipated to occur in the vicinity of the East Avenue Railroad Bridge, Thursday, February 22, 2018 from 9:00 AM-4:00 PM. No impacts to local roads, rail service or pedestrian traffic are anticipated. Map

- Catenary structure removal is anticipated to occur on the east side of the Danbury Branch Line from the mainline wye to Jennings Place, Friday, February 23 from 10:00 PM-6:00 AM. No impacts to local roads, rail service or pedestrian traffic are anticipated. Map

ROADWAY ACTIVITY

- A daytime lane closure will occur on Osborne Avenue in the vicinity of the railroad bridge to facilitate subsurface investigation work, Monday, February 19, 2018 from 9:00 AM-4:00 PM. Alternating one-way traffic and access to all properties will be maintained. Map

- A nighttime lane closure will occur on Triangle Street in the vicinity of the bridge to facilitate installation of a construction time lapse camera on Friday, February 23 and Saturday, February 24, 2018 from 10:00 PM-6:00 AM. Alternating one-way traffic and access to all properties will be maintained. Map

PLEASE BE ADVISED

- The SoNo Collection Mall project will be closing North Water Street between West Avenue and Oyster Shell Park starting January 24 through mid-April 2018 for construction. Details
- Work is weather permitting and will be rescheduled as necessary.
- Updates are provided weekly and any unforeseen schedule changes are updated on the Program website and social media.
- All local business access will be maintained.

The Connecticut Department of Transportation (CTDOT) is undertaking the Walk Bridge Program to replace the deteriorating railroad bridge over the Norwalk River in Norwalk, CT. One of the oldest movable bridges in the country, the Walk Bridge is a critical transportation link on the Northeast Corridor between Washington, D.C., New York City and Boston carrying four tracks of Metro-North Railroad, Amtrak and freight service.

CTDOT is working to inform local residents, commuters and businesses of current and upcoming construction activities through (www.walkbridgect.com). This notice is one in a series of notices that will be issued to keep the public informed throughout construction. To sign up to receive future notices by email, please visit walkbridgect.com/contact.

For any questions about the Program, please call 1-203-752-1996 or email info@walkbridgeCT.com.
