TERMS AND CONDITIONS

ELIGIBILITY: The ENERGY STAR Heat Pump Water Heater Rebate Incentive Program is available to all Municipal Electric Utility (MEU) residential electric service customers. Eligible measure must be installed in the service territory of the participating electric utility and in the premises indicated on this rebate application between January 1, 2014 and December 31, 2015. All rebate requests must be postmarked no later than January 31, 2016. Total incentive cannot be more than 50% of the total cost of the eligible ENERGY STAR Heat Pump Water Heater. Limit: One rebate per residential electric account in the MEUs service territories.

Application Offer: This Initiative covers products purchased on or after January 1, 2014. Details of this Initiative, including Rebate levels, are subject to change or cancellation without prior notice. This application form with required documentation must be received by January 31, 2016. Completed and signed applications must be submitted within 30 days of the equipment installation to be eligible for Rebates.

Proof of Purchase: An invoice itemizing the purchased equipment must accompany each Rebate application form. The invoice copy must indicate the equipment type, size, make and model, serial number of the system and date of purchase.

Application Form: This application must be filled out completely, truthfully and accurately. An authorized representative of the customer must sign, date, and submit the application along with the invoice, and manufacturer's equipment performance sheet stating the ARI certified efficiency rating and nominal capacity.

Payment: Please allow six to eight weeks for payment. Payment process may take longer if information is missing on application.

Approval and Verification: Your participating MEU reserves the right to verify sales transactions and to have reasonable access to your residence, to inspect the equipment installed under this Initiative, prior to issuing Rebates, or at a later time.

Endorsement: Your participating MEU does not endorse any particular manufacturer, product or system design in promoting this Initiative.

Tax Liability: Your participating MEU will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of Rebates.

Warranties: YOUR PARTICIPATING MEU DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. The participating MEU makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties of merchantability or fitness for particular purpose regarding the equipment or services provided by a manufacturer or vendor. Contact your contractor for details regarding equipment performance and warranties.

Limitations of Liability: The liability of your participating MEU is limited to paying the Rebate specified. The participating MEU is not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in this Initiative.

Assignment: The customer may assign the Rebate payment to a qualified contractor.

Owner's Certification: Owner certifies that he/she has purchased and installed the equipment listed above at the defined location. Owner agrees that all information is true and that he/she conformed to all Initiative and Eligibility requirements listed. Owner has verified that the units listed above have been installed correctly. There are no unusual noises or vibrations. Owner or owner's representative has been instructed on how to operate and maintain this equipment and has received all the necessary operation and maintenance manuals.

ISO-NE Capacity Payments: By signing this document, and as a condition for receiving a Rebate pursuant to this program, customer hereby assigns to its participating MEU, whichever the case may be, all of its rights, title and interest in and to any and all LICAP, ICAP, or any and all other capacity-related credits or payments for which customer may be eligible from ISO-NE or such value associated with the settlement of such LICAP, ICAP, or capacity payments as determined through the ISO-NE LICAP, ICAP, or other such like capacity supply auction or market (or its successors or replacements) for any capacity enrolled with ISO-NE.

Customer agrees and acknowledges that this installation of energy efficiency measures by Contractor may result in financial incentives or environmental attributes related to Customer's participation in the Program which may benefit CMEEC and/or Utility. Customer hereby agrees to assign to CMEEC on behalf of Utility any and all right, title and interest in Customer's portion, if any, of such financial incentives and/or environmental attributes.

ACKNOWLEDGEMENT: Customer further acknowledges and agrees that customer is not to retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to customer's participation in the ENERGY STAR Heat Pump Water Heater Rebate Incentive Program and any and all such benefits or credits shall be retained by the MEU.

Minimum Efficiency Level / Incentive Schedule

Equipment Type	Minimum Efficiency for Incentive	Incentive
ENERGY STAR Heat Pump Water Heater	Energy Factor 2.0 or Greater	\$500
