## Library Master Plan Discussed at Public Kick-Off Event

JUNE/JULY 2015

*Please help us by completing the Library Master Plan survey sent to you via email or via the links on Page 2.*

As part of the process of developing a master plan for the district-funded library – the East Norwalk Association Library – TTD hosted a public kick-off event at City Hall on Saturday, May 30<sup>th</sup>. TTD Commissioners were on-hand to listen to ideas and suggestions from enthusiastic attendees.

The master plan consultant, Alex Cohen of Aaron Cohen Associates, LLC, introduced the audience to the master plan process and encouraged public feedback on library services, explaining that input from the public forum would be used in planning for the future of the library. *(Continued on page 2)*

### Happy Birthday!

On June 18th, Ann Johnson, mother of our Sr. Utility Specialist Pete Johnson, celebrates her 101st Birthday. We wish her much health and happiness in celebration of this milestone.

### Osprey Nest

You may have noticed a new Osprey Nest atop an electrical pole in Veteran’s Park, which was recently covered by The Norwalk Hour. TTD is doing our part to ensure the continued comeback of these beautiful birds to the area. *(Continued on page 2)*

### Free EV Charging Stations

Have you used the TTD Electric Vehicle Chargers at the East Norwalk Association Library yet? We’ve received lots of positive feedback so far, and encourage *(Continued on page 2)*

### Budget Billing Reminder

TTD’s Budget Billing Program is now available. This program will allow qualified customers to more accurately anticipate their monthly bill. For questions about enrolling in the Budget Billing Program, call or stop by the TTD office.

### TTD Construction

Interested in updates on TTD construction projects in the district? Visit TTD’s new “Construction Update” page at [ttd.gov/district-construction-updates](http://ttd.gov/district-construction-updates).

**Library (Continued)**

After the initial presentation, attendees broke into smaller groups to talk about their thoughts on library programs, aesthetics, technology, and user services.

The May 30<sup>th</sup> event was the first of several opportunities for residents of East Norwalk to engage with the consultant and weigh in on planning for the future of the library. **TTD has also launched an** online survey in both English and Spanish to help guide future discussions. For information about upcoming events, please contact Jim Smith at 203-866-9271. **Survey Link: English:** <http://conta.cc/1FtULtR>; **Spanish:** <http://conta.cc/1Jl7t5e>.

**Transformer Replaced**

In late April, TTD completed the replacement of the 5 MVA Power Transformer on East Avenue with a new 10 MVA Power Transformer (photo below). The installation is part of our on-going commitment to providing our customers with reliable service.

**Osprey Nest (Continued)**

Our staff de-energized the line to protect the osprey activity, and has no plans to re-energize that particular section of the line in the immediate future. Please join us in safely observing, and not disturbing, the osprey and their unique nesting habitat.

**Free EV Chargers (Continued)**

you to take advantage of the chargers for your electric or hybrid vehicle(s). This program was made possible in part by a grant from the State of CT Dept. of Energy and Environmental Protection (DEEP).

**Home Energy Savings Program**

For **free**, expert advice on lowering your monthly electric bill, take advantage of TTD’s Home Energy Savings program. Residents have found easy ways to reduce costs with a home inspection and a few simple changes. Learn more at [ttd.gov/resource-center/programs](http://ttd.gov/resource-center/programs).

**Touch-A-Truck at Marvin**

On Friday, May 15, members of the TTD staff hosted a Touch-A-Truck event for the students at Marvin Elementary School (photo below). The students enjoyed seeing the TTD bucket truck in action, and heard about electrical safety and energy-saving tips from General Manager Jim Smith.

**Holiday Closings**

Friday, July 3: Independence Day (observed)

**Upcoming Events**

- Sunday, June 28: Concert - Tim Currie’s Motown Band
- Monday, July 6: Commission Meeting
- Sunday, July 12: Concert - The Fairfield Counts
- Sunday, July 26: Concert - Tropical Beat Steel Band
