TTD Hosted CMEEC Board Meeting

OCT. /NOV. 2015

On September 24th, TTD hosted the CMEEC Board of Directors meeting at the Pastime Club in East Norwalk. CMEEC, which stands for Connecticut Municipal Electric Energy Cooperative, is owned by five member utilities in the cities of Groton and Norwich, the Borough of Jewett City, and the Second (South Norwalk) and Third (East Norwalk) Taxing Districts of the

City of Norwalk. The Board was welcomed by Mayor Harry Rilling and Senate Majority Leader Bob Duff.

CMEEC provides wholesale power and related requirements to member utilities and plays a valuable role in providing reliable, cost-effective power to the rate payers of East Norwalk.

District Mapping

TTD contracted with a third-party, MPower, to conduct GIS system mapping of the district, which supports TTD in efficiently and effectively managing all of our utility networks and assets. This process included an evaluation of all utility poles, above ground and underground wires and meter locations.

MPower individuals began work on September 1st and have completed their field work.

Music to Our Ears!

TTD celebrated another successful Summer Concert Series at Calf Pasture Beach. This year, the series featured seven concerts including two new bands, ending big on August 30th with more than 600 people in attendance.

Are You Missing Out on Energy Savings?

TTD is committed to continually improving our energy conservation programs. We work continually on finding strategic partners to develop new programs and identify new options for our existing programs.

We invite our residential and commercial customers to check out the new offerings. For details on how to take advantage of our money-saving programs, visit ttd.gov/resource-center/programs or call us at 203-866-9271.

Making a Mark

The East Norwalk Association Library parking lot recently received a make-over. TTD contractors repainted the parking space lines, including the designated free EV Charger Stations.

Public Power Week

Are you proud of being part of a community-owned utility? We are too! That's why we are joining in the Public Power Week celebration. During the first full week of October each year, public utilities like TTD join other municipal utilities around the nation to honor our commitment to reliable, low-cost power and top-notch customer service.

Bright Idea!

In 2015, TTD provided free energy efficient lightbulbs to over 1,300 customers.

In total 5,740 LED bulbs and 644 CFL bulbs were distributed.
