TTD Meets with Bob Duff

General Manager Jim Smith and the TTD commission recently met with State Senator Bob Duff to discuss news and topics affecting the municipal electricity industry in CT and New England. Smith, Duff, TTD Commissioners Charlie Yost and Debora Goldstein, and TTD Treasurer Dr. Michael Intrieri discussed the recent state mandates for cyber security and how they affect TTD overall, and as related to the new Fitch Street Substation. Senator Duff and Jim Smith agreed to keep an open dialogue about compliance regulations, grant opportunities and any other topics that will affect TTD and its customers. The ongoing communication between TTD and Senator Duff will further improve communication to TTD's customers regarding future energy-related issues.

News

Fitch Street Dedication

A ceremony at the Fitch Street Substation on June 6th marks the official dedication of the substation to all Commissioners involved in the project. The project has been finalized, on-time and on-budget, and the area at 6 Fitch Street has recently been beautifully landscaped as part of the overall site plan.

Rowan Street Update

TTD recently completed the demolition of the building on their property at 18 Rowan Street. The location will be used for a storage facility for consolidating TTD materials, allowing easier access to materials and resulting in a more efficient inventory and ordering process.

As seen in East Norwalk

In April, TTD's tree in Ludlow Park was decorated by the Exchange Club of Norwalk to bring awareness to Child Abuse Prevention Month. Nationally, the Exchange Club's "Believe in Blue" project outreach empowers parents to make positive parenting choices for their children.

Energy-Efficiency Efforts Continue

Recently, fifty LED streetlights were installed along Winfield Street. This installation is part of TTD's on-going efforts to install energy-efficient LED lights along all main roadways within the district.

TTD Annual Meeting Information

TTD's Annual Meeting was held on March 5th. For a full recap, visit ttd.gov/about/minutes.

Get to know us

Dr. Michael Intrieri, TTD Treasurer has been an active resident of Norwalk for 40 years, including his roles with the Norwalk Exchange Club and South Norwalk Boat Club. Along with the elected and community posts he's held, Dr. Intrieri also serves on the

Board of Trustees for Child Guidance Center of Mid-Fairfield County. He has organized numerous neighborhood events, including entertainment for residents of The Marvin, and he is committed to helping TTD utilize resources in a way that will benefit its customers.

TTD mourns the loss of William J. Lyons, former TTD Commissioner and General Manager, who passed away on April 11, 2014.
