Third Taxing District

Request for
Proposal

Interactive Smart Battery/Onsite Power Storage
System
East Norwalk Library
July 31, 2018

Project Description

The Third Taxing District (“District”) is requesting proposals from pre-qualified experienced contractors of the CT Greenbank for the installation of an AC coupled 30 to 40KW Interactive/ Smart Battery system tied to a newly installed PV solar array as well be grid tied at the East Norwalk Library. The goal of the proposal is to install a Smart Battery/Onsite Power Storage system that will provide power to the East Norwalk Library in the time of grid interruption, the battery will have the ability coupled with the PV array to function autonomously in “self-consumption” mode and can function in “time of day release” mode. The system must have a robust Battery Management System that is easy for the end user to access. In general, the successful contractor shall submit a proposal that provides a “turnkey” Interactive Smart Battery/Onsite Storage system which includes all labor, materials, tools, and equipment necessary to engineer, install, and construct to fulfill the requirements of the District including, but not limited to, and subject to the following:

Technical Requirements:

1. The project location is East Norwalk Library, 51 Van Zant St., East Norwalk, CT 06855.
2. Contractor shall provide an SP1 and E1 Location of the proposed equipment install and electrical interconnection to the Buildings electrical infrastructure, the New PV system and the grid connections
3. The size of the installed Smart Battery / Onsite Power Storage system should not exceed 40 kw and 40,000-watt hours of useable storage.
4. The project shall be funded by the District.

- a. The Contractor shall provide all electrical engineering analysis and supporting documentation submitted by a Connecticut electrical engineer certifying that the installed Smart Battery / Onsite power storage system can support any local applicable code and utility interconnection requirements.
 - b. At a minimum, the system shall consist of the supply and installation of a Smart Battery/ Onsite Power Storage, mounting structure, potential utility panel upgrades and/or modifications to existing system, code required disconnects, conduit, AC/DC wiring, AC/DC disconnect, all metering equipment, a system monitoring and data retrieval system, and everything necessary to interconnect with the new PV system and electrical distribution system and provide a fully functioning Interactive Smart Battery / Onsite Power Storage system meeting the intent of this proposal.
5. All storage equipment shall be certified by Underwriter Laboratories (UL). The system shall be comprised of UL listed components.
- a. The design, construction, and finalized installation shall be completed in accordance with the latest applicable version of the National Electrical Code (NEC), Uniform Building Code (UBC), International Building Code (IBC), American Society of Civil Engineers (ASCE), American Society of Mechanical Engineers (ASME), American Society for Testing and Materials (ASTM), American National Standards Institute (ANSI), Underwriters Laboratory (UL), Institute of Electrical and Electronics Engineers (IEEE), American Concrete Institute (ACI), Connecticut Occupational Safety and Health (Conn- OSHA), all Federal, State, and Local construction and interconnections codes, and the connected utility.
 - b. All electrical/electronic equipment shall have surge and lightning protection. All electrical/electronic equipment and metal surfaces shall be properly grounded as required by the NEC code as required by the equipment manufacturer for protection of personnel and equipment due to fault.
 - c. The Contractor shall thoroughly inspect the installation to ensure compliance with all applicable safety regulations and proper equipment operation.
 - d. The Contractor shall conform to all OSHA safety requirements with respect to the system's installation, site, and worker safety.
 - e. The Contractor shall protect the public during all phases of the project.
 - f. Any necessary upgrades or modifications to the existing main electrical panels or new panels as required for the proper operation of the Interactive Smart Battery / Onsite Power Storage system shall be included.

6. The Contractor shall train the District staff, Library staff and Emergency Personnel on emergency shut-off procedures.
 - a. The Contractor shall provide the District with final as-built documents upon completion of the project.
 - b. The Contractor shall abide by all applicable environmental laws and regulations.
 - c. The Contractor shall provide sanitary facilities for their workers. The Contractor's employees are prohibited from entering the Library building except under emergency circumstances.
 - d. The work area shall be thoroughly cleaned by the Contractor daily and upon completion of the project.
 - e. The Contractor shall submit to the District a list of all employees expected to work on the site.
 - f. All work shall be coordinated with the District and the East Norwalk Library.

7. The Contractor is responsible to familiarize themselves with all aspects of the existing conditions prior to submitting a bid. **A mandatory pre-bid meeting and site visit will be held on Tuesday, August 14, 2018 at 10:00 AM at the East Norwalk Library. No other requests for site visits will be entertained.** Questions regarding the facility exterior shall be directed to Michael Cassella, at 860-965-2526 during normal business hours. Questions regarding bid procedures shall be directed to Cynthia Tenney, Executive Assistant at 203-866-9271 ext. 137 during normal business hours. **All prospective bidders must present proper identification.**

Proposals:

1. The Contractor shall submit, as part of this request for proposals, a signed Letter of Intent that outlines his proposed scope of work, the estimated ability for the system, provide complete coverage of power during grid interruption, system storage capacity, ability to provide 15,000 watts of continuous power if needed and 20,000 watts surge capacity in AC, location and layout of the system, and any other facts that bidder feels are relevant to their proposal.

The Contractor shall also submit with their proposal the following information:

- a. The completed installed cost to the District sheet including total cost per kW installed
 - b. Projected time to complete discharge, percentage of depth of discharge, time to recharge completely
 - c. Cut sheets of all major components of the Interactive Smart Battery / Onsite Power storage system and applicable manufacturer's literature
 - d. Insurance certificates
 - e. Hold Harmless Agreement
 - f. Contractor's Qualification Statement
 - g. Contractor's List of Subcontractors
 - h. Project Schedule
2. Proposal Submission: Interested Contractors shall submit three (3) copies of their proposals and one electronic version contained within a sealed envelope to General Manager, Third Taxing District, 2 Second Street, East Norwalk, CT before 10:00 AM, Wednesday August 29, 2018. Proposals will not be accepted after that date and time.

Bid opening shall be public. Bidders may be present. Announcements of bid results will be made within 30 days after receipt of bids.

3. Proposal Review: Proposals will be reviewed and evaluated by the District based on all information submitted. It is estimated that the review process will take two weeks to complete. The District reserves the right to reject all proposals and to negotiate the terms and conditions of any proposal with any particular contractor. The District also reserves the right to interview any or all potential contractors with respect to their proposals and to waive any error, or informality or technical defect in the proposal.
4. The District, in evaluating each proposal, may consider, but not be limited to the following factors:
 - a. Total cost to the District including cost per installed kW.
 - b. Contractor's Letter of Intent, all documents submitted as part of the proposal.
 - c. Contractor's project schedule.
 - d. Contractor's references and subcontractors.
 - e. Contractor's prior work with installed Smart Battery Systems within the District
 - f. Similar projects completed in the past.
 - g. Any other information deemed relevant including equipment proposed to be utilized.

Miscellaneous:

1. The Commission of the District reserves the right to accept or reject any or all options, bids or proposals; to waive any technicality in any proposal or part thereof, and to accept any proposal deemed to be in the best interest of the District. The Commission may reject any proposal not deemed to be in its best interest of the District.
2. The District is not liable for any cost incurred for the preparation of proposals or submission of samples by the firms submitting proposals for the work requested in this bid document or request for proposals.
3. It is the Contractor's responsibility to determine the exact amount of effort required to meet the project's intent and reflect that effort in their submitted bid.
4. By submitting a bid, the Contractor acknowledges that they have visited the site and is aware of the conditions involved in meeting the project's intent.
5. The District reserves the right to eliminate any item, quantity, or portion of the work that it deems to be in the best interest of the District.
6. Any inconsistencies shall be reported to the General Manager. The General Manager shall make the final decision on any inconsistencies and their intent.

SUPPLEMENTAL INFORMATION FOR BIDDERS AND GENERAL CONTRACT PROVISIONS

1. Preparation of Proposals

Proposals must be made upon forms contained herein or as directed elsewhere. The blank spaces in the Proposal must be filled in correctly where indicated. The Bidder must state the prices for which he proposes to do each item of the work contemplated. In case of discrepancy where both words and the numerals are requested, the words shall govern. Ditto marks are not considered writing or printing and shall not be used. The Bidder shall sign their Proposal correctly. If the Proposal is made by an individual, their name, post office address and telephone number must be shown. If made by a firm, partnership, or corporation, the Proposal must be signed by an official of the firm, partnership, or corporation authorized to sign contracts, and must show the post office address and telephone number of the firm, partnership, or corporation. Failure to do so may disqualify the bid.

Each bid must be submitted in a sealed envelope bearing on the outside the name of the Bidder, post office address, bid number, and name of the project for which the bid is submitted. If forwarded by mail, the sealed envelope containing the bid must be enclosed in another envelope addressed to: General Manager, Third Taxing District, 2 Second Street, East Norwalk, CT 06855.

All information shall be entered in ink or by typewriter. Mistakes may be crossed out and corrections inserted before submission of your bid. The person signing the bid shall initial corrections in ink.

Corrections and/or modifications received after the closing time specified will not be accepted.

2. Submission of Proposals

Descriptive literature containing complete specifications must accompany each bid. If a bidder wishes to furnish additional information, more sheets may be added.

3. Incurring Costs

The District is not liable for any cost incurred for the preparation of proposals or submission of samples by the firms submitting proposals for the work requested in this bid document or request for proposals.

4. **Familiarity with the Work**

Each bidder is considered to have examined the work to fully acquaint them with the exact existing conditions relating to the work and has fully informed themselves as to the work involved and the difficulties and restrictions attending the performance of this bid. The submission of a bid will be considered as conclusive evidence that the bidder has made such examination.

5. **Consideration of Prior Service**

Previous performance, quality of service and merchandise will be considered.

6. **Addenda and Interpretations & Alternate Proposals**

At the time of the opening of bids, each bidder will be presumed to have inspected the work and to have read and to be thoroughly familiar with all the Contract Documents (including all addenda). The failure or omission of any bidder to receive or examine any form, instruction or document shall in no way relieve any bidder from any obligation in respect to his bid.

If any person contemplating submitting a proposal is in doubt as to the true meaning of any part of these specifications, they may submit a request for an interpretation to the General Manager at kbarber@ttd.gov. No interpretations as to the meaning of the plans, specifications or other Contract Documents will be made to any bidder orally. Every request for such interpretation should be addressed to the General Manager at kbarber@ttd.gov, and to be given consideration, must be received by Monday, August 20, 2018. All such interpretations and any supplementary instructions will be sent electronically in the form of Addenda to the Specifications which, if issued, will be emailed to all prospective bidders at the respective email addresses furnished for such purposes, not later than Friday, August 24, 2018. Failure of any bidder to receive any such Addenda or interpretations shall not relieve any bidder from any obligations under their bid as submitted. All Addenda so issued shall become part of the Contract Documents. Oral explanations will not be binding on the District.

The specifications listed are to be interpreted as meaning the minimum acceptable by the Third Taxing District. Bidders are requested to submit quotations based on these specifications. Alternative bids providing a broader scope and/or services than requested in these specifications may receive consideration providing such equipment and/or service is clearly explained. Any exceptions to the specifications requested herein must be clearly noted in writing and are to be included as a part of your bid proposal. If none are included it, will be assumed that there are none.

Definition of the word "complete" means that each unit of the equipment proposed shall include all appurtenances, fasteners, parts, accessories, and services ordinarily catalogued.

An item equal to that named or described in the specifications may be furnished by the Bidder, except where expressly noted as "no substitutions." The naming of any commercial name, trademark, or other identification shall not be construed to exclude any item of any manufacturer not mentioned by name, nor limit competition, but shall establish a standard of equality only. An item shall be considered equal to the item so named or described if:

- a. It is at least equal in quality, durability, appearance, strength and design.
- b. It will perform at least equally the function imposed by the design for the work being contracted for the material being purchased.
- c. It conforms substantially, even with deviations, to the detailed requirements for the item in the specifications.

The Bidder shall hold the District, its officers, agents, servants, and employees, harmless from liability of any nature or kind because of use of any copyrighted or uncopyrighted compositions, secret process, patented or unpatented inventions, articles or appliances furnished or used under this bid, and agrees to defend, at their own expense, any and all actions brought against the District or themselves because of the unauthorized use of such articles.

7. Quotation Limitation

Bidders shall offer only **ONE ITEM AND PRICE** for each line item bid. If an equal item is to be bid, the bidder is to select the brand and model that meets or exceeds the specified item and submit their bid for that item.

8. Estimate of Work

For bidding purposes, the work has been subdivided into unit price items. The quantities shown are to be considered as approximate only. District does not expressly or by implication agree that the actual quantity will correspond therewith, but reserves the right to increase or decrease the amount of any item or portion of the work as deemed necessary.

9. Samples

Samples of articles, when required, shall be furnished free of cost of any sort to the District. Samples received may be retained by the District for future comparison. Samples which are not destroyed by testing, or which are not retained for future comparison will be returned upon request at the bidder's expense.

10. Withdrawal of Bid

Bidders may withdraw their proposals at any time prior to the bid date. No agent/broker shall withdraw or cancel their proposal for a period of sixty (60) days after the bid closing date. The successful agent/broker shall not withdraw, cancel or modify their proposal.

11. Power of Attorney

Attorneys-in-fact who sign contract bonds must file, with each bond, a certified and effectively dated copy of their power of attorney.

12. Subcontractors

Each bidder contemplating the use of any subcontractor shall submit a list of subcontractors as listed on the Bid Form. The apparent low bidder shall file with the District, within five (5) days after the date of bid opening, a complete list of the names and addresses of competent, responsible and qualified subcontractors who are to perform major portions of the work. This in no way restricts or limits the requirement that all subcontractors must be approved by the District. Subcontractors listed on the Bid Form or those previously approved may not be changed without the approval of the District. Local subcontractors, material suppliers, and labor in the District should be considered and sought insofar, as is practical in the performance of this project.

13. Qualification of Bidder

In determining the qualifications of a bidder, the District may consider their record in the performance of any contracts for similar work into which they may have previously performed; and the District expressly reserves the right to reject the bid of such bidder if such record discloses that such bidder, in the opinion of the District, has not properly performed such contracts or has habitually, and without just cause, neglected the payment of bills or has otherwise disregarded their obligations to subcontractors, suppliers, state or local codes, or employees of subcontractors. The District may make such investigation as they deem necessary to determine the ability of the bidder to perform the work and the bidder shall furnish to the District all such information and data for this purpose as the District may request. The District reserves the right to reject any bid if the evidence submitted by or the investigation of such bidder fails to satisfy the District that such bidder is properly qualified, or that such bidder misrepresented material facts in the bid documents.

14. **Disqualification of Bidders**

More than one proposal from an individual, firm, partnership, corporation, or an association under the same or different names will not be considered. Reasonable grounds for believing that any Bidder is interested in more than one proposal for the work contemplated will cause the rejection of all proposals in which such Bidder is interested. Any or all proposals in which such Bidder is interested will be rejected if there is reason for believing that collusion exists among the Bidders and all participants in such collusion will not be considered in future proposals for the same work. Proposals in which the prices are obviously unbalanced may be rejected. No Contract will be awarded except to competent Bidders capable of performing the class of work contemplated.

15. **Delivery**

Inasmuch as this work concerns a needed public improvement, the provisions of this bid relating to the time of delivery, performance and completion of the work are of the essence of this bid. Accordingly, the successful bidder shall commence work **upon receipt of the signed Purchase Order** unless the District shall authorize or direct a further delay. Time of delivery shall be stated as the number of calendar days following receipt of the Purchase Order by the Bidder to receipt of the goods or services by the District. Prices quoted must include delivery to the District as specified on the Purchase Order. No charges will be allowed for parking, crating, freight, express or cartage unless specifically stated and included in this bid.

Time of delivery may be considered in the award.

16. **Payment**

The District, after inspection and acceptance of workmanship, and in consideration of the faithful performance by the Bidder of all and singular their covenants, promises, and agreements contained herein, agrees to pay the Bidder for the full completion by them of the work embraced in this Contract, within (30) Thirty Days of the receipt of the final invoice. When subcontractors or suppliers are utilized, the successful Bidder for this project shall be required to submit a Mechanics Lien Waiver, acceptable to the District, with each progress payment and/or at time of final payment prior to any payment being made.

Time, in connection with any discount offered, will be computed from the date of delivery to the District or from the date a correct invoice is received by the District, if the latter date is later than the date of delivery. Prices will be considered as **NET**, if no cash or payment discount is shown.

The successful bidder shall submit invoices to the following address:

Third Taxing District
2 Second Ave.
East Norwalk, CT 06855

The successful bidder shall submit an itemized invoice to the District for the work as described herein.

17. Sales Tax

Certain materials and supplies incorporated in the work of this project are exempt from Connecticut Sales Tax. The Bidder shall familiarize himself with current regulations of the State Tax Department. The tax on materials or supplies exempted by such regulations shall not be included as part of the bid. The District will furnish the successful Bidder sales tax exemption authorization.

18. Care and Protection of Property and Persons

The Bidder shall take care to avoid damages to all private and public property and persons and to private or public improvements within the District's right of way. They shall make good any damages to the satisfaction of the District. There shall be no additional compensation for the repair or restoration of private or public property improvements.

19. Compliance with Federal, State and Local Codes

The Bidder shall be responsible for full compliance with any Federal, State and/or Local codes, laws, regulations and standards, as applicable.

20. Award

The District reserves the right to accept or reject any bid to best serve its interests, or to hold the bids for sixty (60) days before decision.

The District reserves the right to reject all bids (or any part thereof), to waive defects in proposals, or to accept any proposal deemed to be in its best interest.

Exceptions will be considered to the specification provided, providing they are listed and fully explained on a separate page entitled "EXCEPTIONS TO SPECIFICATIONS."

Each exception will be considered as to its degree of impact and total effect on the bid. The District shall determine which (if any taken) exceptions are acceptable, and this determination shall be final.

The District reserves the right:

- a. To award bids received based on individual items, or groups of items, or on the entire list of items.
- b. To reject any or all bids, or any part thereof.
- c. To waive any informality in the bids.
- d. To accept the bid that is in the best interest of the District. The General Manager's decision shall be final.

IT IS UNDERSTOOD AND AGREED THAT SHOULD A BID BE ACCEPTED, IT WILL AUTOMATICALLY BECOME THE CONTRACT OR AN ADDENDUM TO ANY CONTRACT AGREED UPON.

Notification of the bid award will be made by issuance of a purchase order. Bidders are to list their bids on the appropriate attached sheets. Bidders may attach a letter of explanation. A clear notification should be made on the standard bid sheets at the appropriate point of explanation that there is a letter of explanation attached. All bids must be NET prices.

At the time of award, the successful bidder shall be required to supply the District a Certificate of Good Standing, certifying that the corporation is in fact a valid corporation and presently licensed to conduct business in the State of Connecticut.

21. Insurance

Insurance requirements are detailed under the attached "Insurance Requirements."

22. Guarantee

The bidder shall unconditionally guarantee for a period of one (1) year, except as specifically noted within these documents, from the date of acceptance, all materials, supplies, equipment, and services; including but not limited to its workmanship, delivery and installation. If within the guarantee period there are any defects or signs of deterioration, the bidder shall repair, adjust or replace the item(s) to the complete satisfaction of the District. These repairs, adjustments, or replacements are at the sole expense of the bidder and shall be made at such times that are agreeable to the District so that it is least detrimental to instructional programs.

23. **Permits**

When required, all licenses and permits for complying with any applicable Federal, State, and Municipal laws, codes, regulations in connection with the prosecution of the work shall be obtained by the Bidder, at no additional cost to the District.

24. **Non-Discrimination in Employment**

The successful bidder shall agree and warrant that, in the performance of this contract, they will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, sex, religion, or national origin in any manner prohibited by State, Federal, County, or Municipal law.

25. **Mechanics Lien Waivers**

The successful Bidder shall be required to submit a Mechanics Lien Waiver, acceptable to the District, with each progress payment, and/or at time of final payment, prior to any payment made.
