

Latest Park Improvements

TTD is proud to announce recent improvements to Ludlow Park

At the start of an approved redesign plan for our beloved "Ludlow Triangle" park, across from the East Norwalk cemetery, we have replaced the larger, older sixty-foot Norway Spruce with a younger Norway Spruce. The larger tree had encroached on nearby power lines, and was determined to be nearing its end-of-life. The new tree will also serve as the Christmas Tree for our annual tree lighting event. Other park improvements will include a new, paved meandering walkway, benches and new plantings.

"We are looking forward to continued park improvements which will bring greater access, use and appreciation by our neighbors and the East Norwalk community," says Ron Scofield, Assistant General Manager.

COMMUNITY BUSINESS UPDATES

Norwalk Pizza & Pasta

The already popular Norwalk Pizza & Pasta "@the 55" has turned a corner, quite literally! They moved to 13 Winfield Street (next to Don Carmelo's), and have an upgraded look and menu, and brand new dining room & bar. norwalkpizzaandpasta.com (203) 854-9788

Lindsay's Handmade Ice Cream

It's all in the name... "Lindsay's Handmade"... and that's what Lindsay does!

"If your ice cream has candied figs in it, I candied them myself," says Lindsay. "If it has cranberry jam, I made the jam. If it has fudge, I made it. If there's bacon, then there IS bacon. I cooked and crumbled and candied it. If there's toffee, I agonized over it and probably threw away two batches for every one that came out right. The best part is being able to create everything the way I want it to be, the best way I possibly can."

"The best cocoa powder. The best spices. The best fruits, whether they are fresh, dried, or frozen. No canned stuff. No dyes or colors, or artificial anything. What you see is what you taste. I make small batches (10 quarts at a time) so I can really focus on the process and give every pint the attention it deserves."

Lindsay's Handmade Ice Cream proudly operates out of East Norwalk's 25 Van Zant St.

Summer Events Recap

TTD SUMMER CONCERTS WERE HOT!

Another fine summer of amazing music and talents graced our stage this year at Calf Pasture Beach. With six concerts planned, and one rain-out ☹️, the Green was no stranger to dancing and jiving to the rock, jazz, big band, Motown classics and more that TTD was happy to share with concertgoers.

TTD WELLNESS EVENTS AT EDGEWATER PARK

Hosting these events, Jackie DeLise, CMMI, CMWI, shared the highlights and benefits of cultivating a healthy lifestyle through meditation and mindfulness practices.

Small Business Energy Savings Program

Save Energy and Money while improving the comfort of your business.

The Small Business Energy Savings Program assesses your energy use and even provides on-the-spot service for instant savings. It's a FREE service for all qualifying Third Taxing District small business customers.

This program has been specifically designed for small businesses that operate in converted residential structures (for example a two family house).

Contact Lantern Energy at 1.877.878.3006 to see if your business qualifies for this program.

Start with an overall health and safety check of your building.

- Carbon monoxide test
- Combustion appliance zone test

Perform a blower door test.

By depressurizing your business, the technician will find air leaks and correct them with caulk, door sweeps and v-seal.

Note: Not all buildings/ business types may qualify.

Perform a duct test.

This test will look for air leaks within your home's ductwork system.

Install water and water heating energy-saving measures.

- Low-flow shower heads
- Faucet aerators
- Pipe insulation (if applicable)

Provide special rebate offers for replacing inefficient central air conditioners, central heat pumps. OFFERS SUBJECT TO CHANGE

The Small Business Energy Savings Program and rebates are subject to availability of funding.

Call Lantern Energy today to schedule your free appointment!

business customers!

STAFF UPDATES

TTD is proud to announce the retirement of Chief Lineman Bill Ruedeman. We sincerely thank Bill for his 18 years of exemplary service, and wish him well.

TTD also announces the promotion of Paul Hedrick to Chief Lineman.

TTD also welcomes Lineman Darren Fortini to the TTD team.

TTD Kids

Good day! ~ Let's Shock-Proof Your Adventures: Let's Dive into some Electricity Safety Tips!

- Make sure your hands are dry around any electronic device. Water and electricity do not mix!
- Don't insert ANY object into an outlet (except a plug!)
- Don't go near any broken wire
- Stay away from any power lines and transformers
- And if you cruise, respect our crews - drive very slowly near our linemen and their trucks

Till next time! - Kevin Kilowatt

Parents: share these tips with your children.
